GUIDE TO THE TIMETABLE

- STEP 1** : Identify your **Course** of study (B. A Programme, B.Com Programme, Hindi Honours, etc.)
- STEP 2** : Identify your **Section** (A, B, C, etc).
Hindi Honours, Math Honours, Political science Honours and Sanskrit Honours classes have one section only.
- STEP 3** : Identify your **Papers**, that is, the papers allocated to you on the basis of your eligibility or the papers opted by you or allotted to you (in case of elective papers)

In every table, information is presented in the following order:

1. The **Period** in which the class will be held (3.00 – 4.00 p.m, 4.00 – 5.00 p.m. etc.)
2. The name of the **Subject / Paper** that you have to study.
If you find more than one paper in a box (as in the B. A Programme timetables), only ONE of these will be relevant to you – the one allotted to / opted for by you.
3. The **Room number** in which the class will be held.
This is indicated in round brackets. For example, (26) means the class will be held in Room number 26.
4. The name of the Teacher who will take the class.
In some of the timetables, **Teacher** names are indicated in the boxes using abbreviations.
A key to these abbreviations is given on the following page.
5. The Days on which the class will be held and the Nature of the class (that is, lecture, tutorial or practical).
Days are indicated using numbers as follows:
1 → Monday, 2 → Tuesday, 3 → Wednesday, 4 → Thursday, 5 → Friday, 6 → Saturday
A **tutorial class** is indicated using a 't' or (T) after the day. For example '3t' means a tutorial class on Wednesday.
A **practical class** is indicated using a 'p' or (Pr.) after the day. For example '4p' means a practical class on Thursday.
